

The 30th International Costume Congress (ICC) & International Costume Exhibition (ICE)

The Korean Society of Costume extends a formal invitation to scholars and practitioners in costume and fashion to the forthcoming International Costume Congress (ICC) and International Costume Exhibition (ICE), which will be held in Seoul this summer. This year's conference theme is "Hip Tradition," which focuses on converging traditional clothing elements with contemporary trends. This theme, particularly resonant among the Millennial and Generation Z demographics, seeks to analyze the reinvention of cultural heritage within the context of evolving fashion sensibilities.
